

Christ Church sermon questions 15 March 2020

Living water

Read the passage: **John 4:4-42**

1. Have you ever been in an awkward situation where socially you are not really meant to be associating with, or speaking to, the person you are with? Describe it if you can. How did it feel? How did you 'resolve' it (or not)?
2. Look together through verses 7-26. Can you see a pattern to the stages that Jesus and the woman's conversation went through?
3. Are any of these familiar to you in discussions you have had with other people about Christianity and Jesus?
4. Read 2 Corinthians 4:4. To what extent do you think this is true nowadays, and how does it show itself?
5. In the talk, people seeking satisfaction in life in other ways was mentioned. What are some examples of this?

Are these all bad?

How do we keep the right 'balance' or attitude regarding the good things that God has given us to enjoy, and not neglecting our relationship with him?

6. Are there ways that we can impede the flow of the Holy Spirit in our lives? What are some ways to keep alive and growing our life in Jesus through the Holy Spirit?

In a prayer time (maybe as a group or individually) remember those who especially need to feel the flow of the Water of Life in their lives.
